Support Wabash Valley Trust for Historic Preservation

Membership in the Wabash Valley Trust is vital to the continued existence and operation of the Trust. We most gratefully thank you for your past support. Please continue to support the Trust by renewing your membership as it comes due and be as generous as you can with an additional contribution. We hope you are enjoying the benefits of being a member and are receiving your Landmarks publication. Gift memberships are also available.

Opportunities exist for both corporation and individual friends to sponsor the Trust. As a nonprofit organization, the Trust relies on the support from the community's citizens in order to continue its valuable mission in the Greater Lafayette area. Additionally, when you support the Trust, you are also helping the group leverage funds for many national grants that require a match from community contributions. In essence, your support can often be worth twice as much to the Trust with grant-matching opportunities.

When a contribution is made to the Trust, it plays a vital role in

ensuring that historic preservation remains a priority. (Please note that all contributions are tax-deductible in conjunction with the IRS and state laws.)

Won't you please show your support to the Trust by considering a donation? Every dollar raised makes a difference as part of the Trust's financial picture and will illustrate to these national granting agencies that the community actively supports our mission in saving Indiana's heritage. For more information, please contact Trust interim executive director, Mary Whittaker, by calling (765) 420-0268, or send an e-mail to
